Dear Mr. Wolschina,

Please accept my enclosed resume in application for an associate attorney position with Brown and Connery. Presently, I am clerking for the Honorable M. Allan Vogelson, Presiding Civil Judge in Camden. I will be available to begin work on September 2, 2003.

My academic background has been enhanced by the practical lawyering skills I have acquired as a law clerk to Judge Vogelson. As the judge's clerk, I summarize and research between 60 and 100 motions each two-week motion cycle. Many of these motions deal with complex summary judgment, and statutory interpretation issues. Additionally, I have developed an excellent background in Bankruptcy law, externing for the Honorable Gloria Burns, U.S. Bankruptcy Judge in Camden. In Judge Burns' chambers, I had the opportunity to research and write memoranda on bankruptcy motions, as well as research and better understand the Bankruptcy Code. Finally, my diverse pro bono experience in tax, mediation, and bankruptcy has prepared me to work with a diverse group of clientele.

I believe that my practical lawyering knowledge and research skills will continue to improve through my clerkship, and I feel that I will possess the necessary experience to provide Brown & Connery's clients with excellent legal assistance.

I would welcome an opportunity to further discuss my qualifications. Please feel free to contact me should you need additional information. To this end, I can be reached at 856-816-6485. Thank you for your time and consideration.

Sincerely,

Jordan K. Schonberg

Re: Associate Attorney Position

Dear Ms. Lindenman:

I am writing to express my interest in interviewing with your firm for a position as an Associate Attorney. Currently, I am a second year associate at Cole, Schotz, Meisel, Forman & Leonard, P.A. in Hackensack, New Jersey. To date, my practice has focused primarily on commercial and civil litigation cases in both New York and New Jersey courts.

While my interests encompass a variety of practice disciplines, I am most interested in a position in your Litigation Group, particularly in the area of products liability. Although my knowledge of bankruptcy matters is not yet as extensive as the other areas of the law to which I have been exposed, based upon the experiences I have had, I would also be very interested in a position in your Bankruptcy Group if one was available.

As I believe I would be a valuable addition to your firm, I have enclosed a copy of my resume and transcript for your review.

I look forward to hearing from you.

Sincerely yours,

Zachary D. Roebling
